

## Walk to the Maiden Castle Sunflower Trail from Poundbury

From **Parkway Farm Business Park** (off Middle Farm Way) walk to the southern end, bear left and follow path - you will see a foot path sign, turn right.

Go through gate ( photo here )

Walk 200 yards along this path .....

You will now find the underpass

Go through the underpass and there you will see the Sunflower Trail

Arrive at the gate. The gate to the left is permanently closed, **but** this will allow pedestrians to access the sunflower trail when it opens from Sunday 3rd August.

To the right of the double gates is the path that leads all around the edge of the fields to Maiden Castle. You can also access this path via the layby past McDonalds on the bend towards Martinstown.
